● Standard Diet Kits® contain **ONE** sugar or sugar substitute packets.
 2 The symbol represents kits that contain **TWO** sugars or sugar substitutes.

Diet Kit® Meal Kit

Color Coded System

One of the industry's most complete lines of wrapped food service kits

The Diet Kit® color coding system reduces guesswork, ensures patient safety, speeds up tray line and improves productivity.

With hundreds of combinations of seasonings, napkins, straws and cutlery (covering most major diets) Diet Kit® reduces the need for individual packet selection, saving time and money. Waddington North America (WNA) can supply a kit combination to meet all of your dietary needs.

Pouch Kit

Napkin, condiment options, and straw in a convenient color coded pouch with an open flap to easily place your own cutlery in a sanitary environment.

Junior Kit

Condiments only in a moisture-proof color-coded package.

Strip Kit

Condiments only in a convenient strip (an economical alternative that still provides the safety of the error-free color-coded).
